II. Wind Solar Diesel Generators and Systems Sector

100W-1200KV Generator Series

100w-3kw Generator

N6 HY EMP N002001001

5kw-20kw Generator

N6 HY EMP N002001002

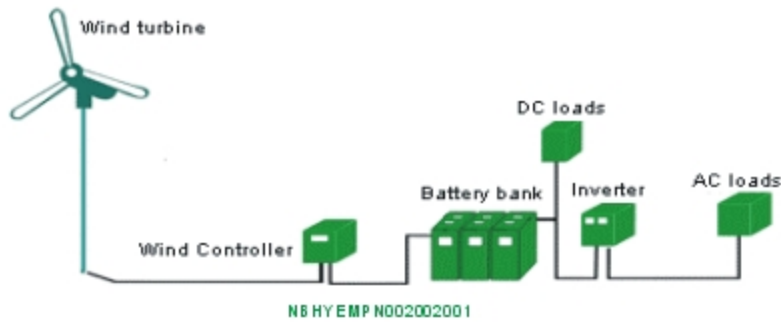

600kw-1200kw Generator

N6 HY EMP N002001003

Wind Solar Generator Systems Series

Grid and Ungrid Wind Generator Systems

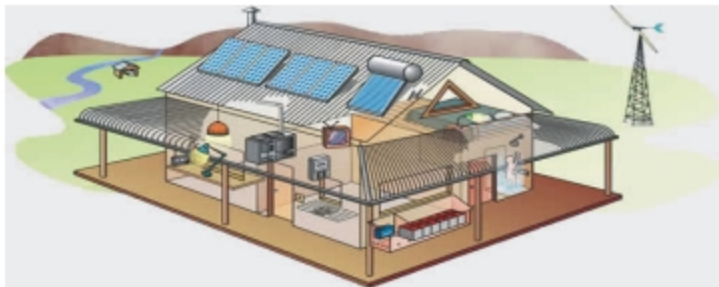

Solar Generator Systems

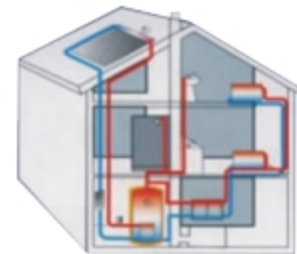

N6 HY EMP N002002002

Independent Wind Solar Generator Systems

N6 HY EMP N002002003

Solar Heater Systems

N6 HY EMP N002002004

500W-1000KW Diesel Generator Series

500W-8KW Diesel Generator

N6 HY EMP N002003001

10-50KW Diesel Generator

N6 HY EMP N002003002

100-1000KW Diesel Generator

N6 HY EMP N002003003

III. Industrial Electrical Material Sector

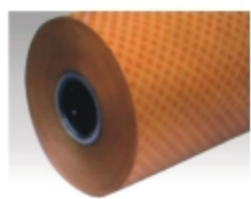

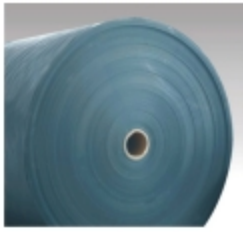

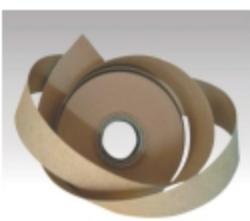

Cold and Heat Cable Accessories Series

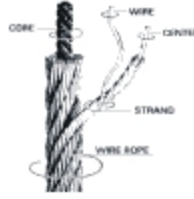

1-36KV Indoor Outdoor Heat Shrinkable Terminal	1-36KV Heat Shrinkable Straight Through Joint	1-36KV Silicon Rubber Cold Shrinkable Terminal	1-36KV Silicon Rubber Cold Shrinkable Straight Joint	Flame Retardant Heat Shrinkable Tube
				
N8 HY EMP N003001001	N8 HY EMP N003001002	N8 HY EMP N003001003	N8 HY EMP N003001004	N8 HY EMP N003001005
Heat Shrinkable Bus Bar Sleeve Tube	Bus Bar Tie-in Shaped	Silicon Rubber Safe Shaped	Heat Shrinkable Bus Bar Insulating Tape	Heat Shrinkable End Caps

Medium Wall Polyolefin Tubing Coated	Shrinkable Breakerout	Shrinkable Jacket Tube	Shrinkable Stress Control Tube	Shrinkable Insulating Tube
				
N8 HY EMP N003001011	N8 HY EMP N003001012	N8 HY EMP N003001013	N8 HY EMP N003001014	N8 HY EMP N003001015

Industrial Water Pump Series

Stainless Steel Clean Water Pump	Stainless Steel Well Use Pump	Stainless Steel Dirty Water Pump	Multistage Submersible Pumps For Well
			
N8 HY EMP N003002001	N8 HY EMP N003002002	N8 HY EMP N003002003	N8 HY EMP N003002004

Insulating Papers Series

Grid Insulating Paper	Fish Insulating Paper	Insulating Electrical Tapes	Insulating Electrical Paper
			
N8 HY EMP N003003001	N8 HY EMP N003003002	N8 HY EMP N003003003	N8 HY EMP N003003004

Electricity Energy Meter series		Cable and Wires Series			
Single Phase Electrical Watt Hour Meter	Three Phase Electrical Watt Hour Meter	Cotton Package Wire	Wire Rape	Electrical Power Cable	Low Voltage Cable
					
N8 HY EMP N003004001	N8 HY EMP N003004002	N8HYEMP N003005001	N8HYEMP N003005002	N8 HY EMP N003005003	N8 HY EMP N003005004

IV. Precision Electromechanical Component and Parts Sector

Operation Mechanism Products Series				
CT19 Spring Operating Mechanism	CD10 Electromagnet Mechanism	CS18 Manual Mechanism	Hotstick operating Mechanism	CJ Operation Mechanism
				
N8 HY EMP N004001001	N8 HY EMP N004001002	N8 HY EMP N004001003	N8 HY EMP N004001004	N8 HY EMP N004001005

NINGBO YINZHOU HUAYUAN ELECTRIC & MACHINE INDUSTRY CO., LTD.

NingBo YinZhou HuaYuan Electric & Machine Industry Co., Ltd. is located in Ningbo city which is at the middle part of China's coastline and south flank of the Yangtze River Delta, bordering on Shanghai. The traffic is very convenient that is 30 km away from Ningbo Port, 15 km away from Ningbo Airport.

It is an own-managed and the professional manufacturer, Supplier, exporter, contractor. It is a developing tech conglomerate of designing, manufacturing, trading, importing and exporting, engineering contractor, general supplier of complete instruments, components and parts.

Our products and services including:

- ◆ High Low Volatage Electrical Apparatus Sector
 - 6-40.5KV Pad mounted electric power substation series
 - 0.4-12KV Cable branch box series
 - 3-40.5KV Oil immersed and dry resin casting power transformer series
 - 6-40.5KV Ring main unit and circuit gas insulating switchgear series
 - 6-40.5KV Over head pole-mounted vacuum and gas breaker series
 - 0.4-126Kv Electric power circuit vacuum, gas and oil breaker series
 - 6-40.5KV High voltage recloser and sectionalizer series
 - 1.14-12KV Vacuum contactor series
 - 1.14-40.5KV Vacuum interrupter series
 - 0.4-220KV Current and potential transformer series
 - 6-40.5KV Indoor load break switch for switchgear series
 - 6-40.5KV Over head line pole mounted load break switch series
 - 6-126Kv Outdoor and indoor high voltage disconnecting switch series
 - 6-66KV High voltage earthing switch series
 - 6-330KV Insulator of composite and ceramic series
 - 6-36KV Fuse series
- ◆ Precision Electrical and Mechanical Components and Parts Sector
 - Hot stick operation mechanism products series
 - Switchgear components and parts series
 - Transformer components and parts series
 - Breaker components and parts series
 - Insulating parts for high low voltage switch series
 - Gear and gear box series
 - Precision casting and making parts series
- ◆ Wind Solar Oil Generator and Systems Sector
 - 100w-1000kw Wind generators and systems series
 - 100w-20kw Solar generator and systems series
 - Oil generators and systems series
 - Oil, Wind and solar generator combined systems series
 - Solar lamp series
 - Solar water heater and engineering systems
 - Oil, wind solar generators components and parts series
- ◆ Industrial Electrical Materials
 - 6-40.5kv Electrical power cable and wire series
 - 6-40.5KV Heat-cold shrinkable insulating materials and cable accessories series
 - Industrial water pump series
 - Power meter and gas pressure products series
 - Cutting and welding products series
 - Power substation Computer controller Automatic series
 - Busbar and cable tray for building series

Up to now, all kinds of products have been distributed all over the world and widely used in the key projects and large-scale construction projects. Many products have been exported to Asian and European, South and North America, Africa countries and regions.

We will provide defect-free products and services on time for our customers. We will require the same from our suppliers. We will fully understand the requirements of our clients and are committed to doing it right the first time as a way of working, never think it bestly, just only do it the better for the best.

It is the ambition and insight of **NBHYEM** to build a famous and leading enterprise that lasts for centuries taking advantage of world resources just like the sea to receive rivers. It is the persistent pursuit of **NBHYEM** to go along with the giants and keep pace with the world. We warmly welcome the customers from domestic and abroad to cooperate with us and create the wonderful future.
